

Fall Foliage Issue!

From The Editor...

Chuck
Klasek

Hello, all, and I hope those who were fortunate enough to go on the Fall Foliage Cruise had as much fun as the pics showed...those of us who weren't there wish we coulda...oh, well, no sense in gritching, eh?

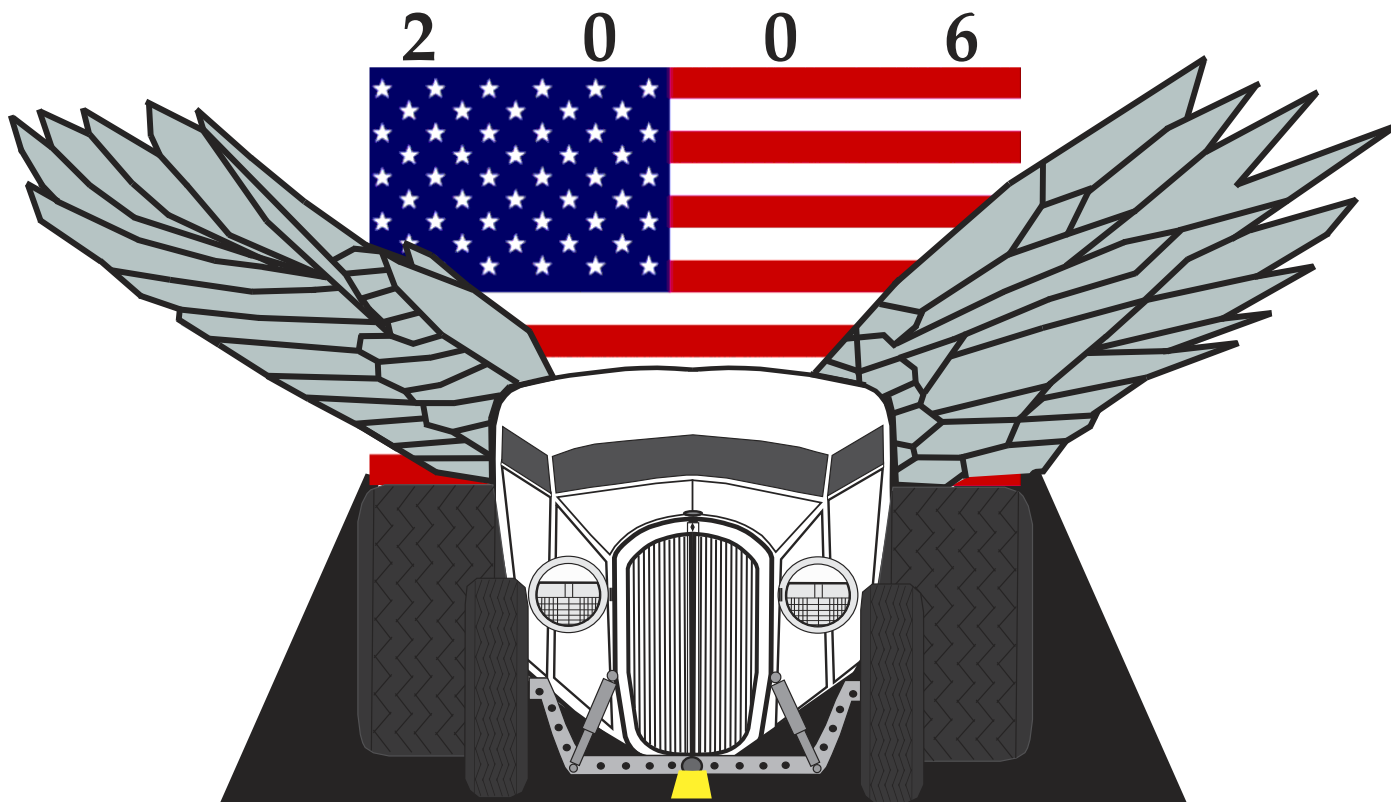

I know this is the second month of late ***Dashboards***, but I hope you'll forgive me. It seems that both Cathy and I've lost our jobs this past fortnight, and it's a BEAR trying to recover while I'm still in school at Moore-Norman. (Great way to celebrate one's birthday, eh? Oh well...it's only a birthday...) Hopefully, things will sort themselves out before the holiday season goes into full swing, and your prayers would be most appreciated in the meantime!

I also hope you like the ongoing modified format of this month's ***Dashboard***. I want to make it less formal and easier to read, and as always, I encourage your input and suggestions!

Next, my school, MNTC, hosts a yearly car show benefiting the students, to take place next March. This year, the student ramrodding the show was tragically taken from us in a car accident about 3 weeks ago. The logo you will see in this issue is neither official nor approved, but I'm hoping the MNTC show committee and the Feexico family (who lost their husband/father, J.D.) would approve. I'm just including it as a reminder for you and to kinda 'crow' about having designed and drawn it entirely myself. (Oh, yeah...there will be several judging categories, and the car club with the most attendance is slated to win something along the line of \$2,000!!! What's more, it appears the Mustang Club may already be in on it. Think about it!!!)

Finally, I'm putting my Route 66 tome on the back burner for awhile, so we can enjoy some fine pics from this year's Fall Foliage Cruise. Enjoy!!!

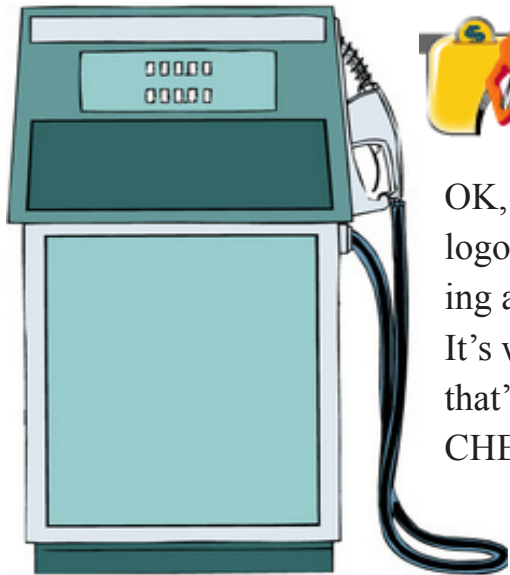

--- Chuck

J.D. Feexico Memorial Car Show

Sponsored by Moore-Norman Technology Center, Skills USA & BPA

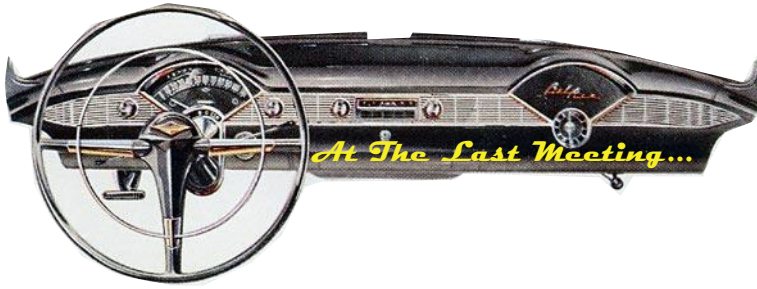

(As was said before, folks, this is neither an/the official name nor logo for the show; I only include it here to both promote the March car show and the fact that I drew this completely from scratch, on the computer, in Adobe InDesign. I think it's kinda cool, and I hope the MNTC folks and the Feexico family like and eventually endorse it.)

OklahomaCityGasPrices.com

OK, I'm hoping I don't get irate calls from lawyers over using the logo above, but if you don't already know the site, it's worth paying a visit to, especially during these inflated - gas - price times. It's well worth the visit, and if you find a low gas price near you that's not already posted, it's easy to do so, and help the rest of us! CHECK IT OUT!!!

--Chuck

COCCC Secretary *Kay Welch*

President Mike Smith called the meeting to order at 3 p.m. at M&W Wallpaper. September minutes will be voted on in November meeting. Treasurer's report read and accepted (D.Reed).

Guest Kent Patton from Anadarko would like some cars for class reunions on May 26-27, 2006 --- more information to follow in months ahead.

<<Ed. Note: Cathy Klasek had a room reserved for the COCCC Xmas Party (Dec. 10?), but due to her leaving the University, that reservation was cancelled. Sorry, but we'll need to find another venue. Would be happy to host it at our home in Norman - The Klaseks>>Turkey and ham are on the menu, and Rustyne Harris and Larry Myers are handling the furniture. Club members will need to bring a covered dish and/or desserts, drinks, ice, etc. There could well be a visit from Dirty Santa, with one man's and one woman's present each. Please mark the DS gifts accordingly.

Rodney Duerksen presented a check for \$50 and a trophy to the club from the recent Perkins Car Show. About 10 COCCC cars were there! Thanks, Rodney!!! Also, if you want a Club jacket (and who doesn't?), please call Rodney for details. Cost is \$100.

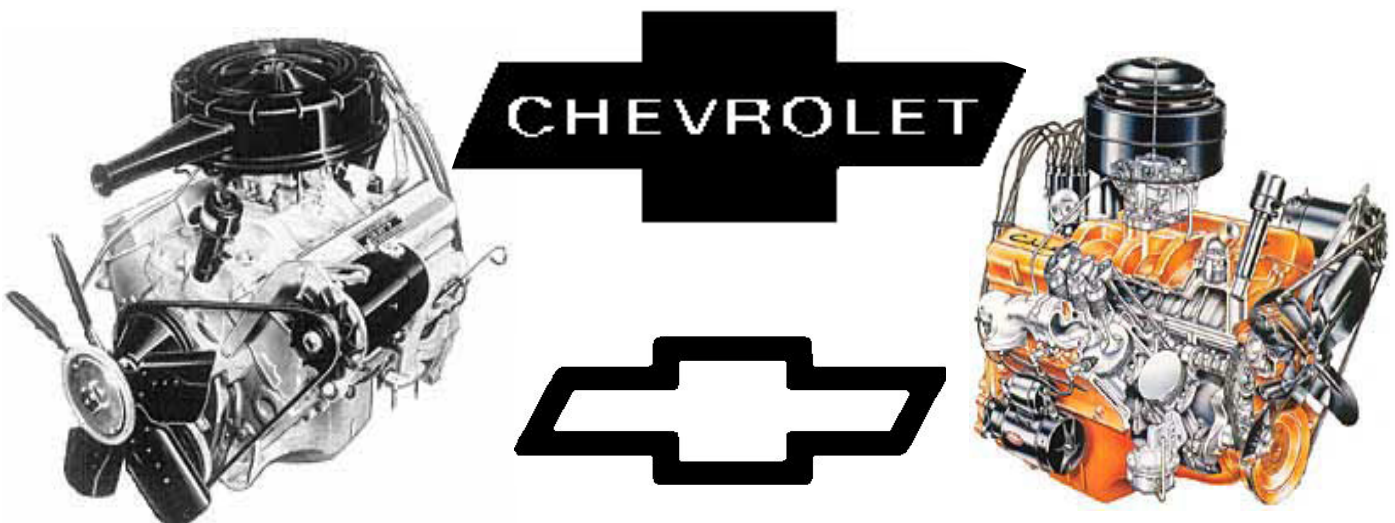

Money from car shows will go toward buying a flag for the Club to display. Cost for flag and pole is \$65.

January meeting will be at Ken and Peggy Buckanan's home (potluck meal from 2 -3 p.m.

Lone Star Classic Chevy show will be May 5-7, 2006.

Dinner cruise postponed till January, '06 (D.Reed). Next meeting Nov. 13 at M & W at 3 p.m.

Fall Foliage Cruise '06

(Thanks to KD and DP for the notes and pics! Wish we could've gone with ya! -- Ed.)

WOW! The weather was beautiful, foliage was beautiful, seeing old friends and meeting new ones was beautiful...how much better can life get?

There were plenty of Chickenfoot and Texas Hold'em games in the evenings to keep us entertained if sight-seeing and story-swapping weren't enough.

We toured Ft. Gibson's military stockade, the U.S.S. Batfish submarine in Muskogee, drove around Lake Tenkiller, and ate a wonderful buffet in Tahlequah at the Cherokee (?) Restaurant where the owners opened up *just for us!!!*

Even though early in the season, when you get past Hwy 69 in the eastern part of the state, the foliage was/ IS **gorgeous!!!** Chevy folks participating were from Oklahoma (Tulsa & OKC clubs), Arkansas, Kansas, Texas, Missouri.

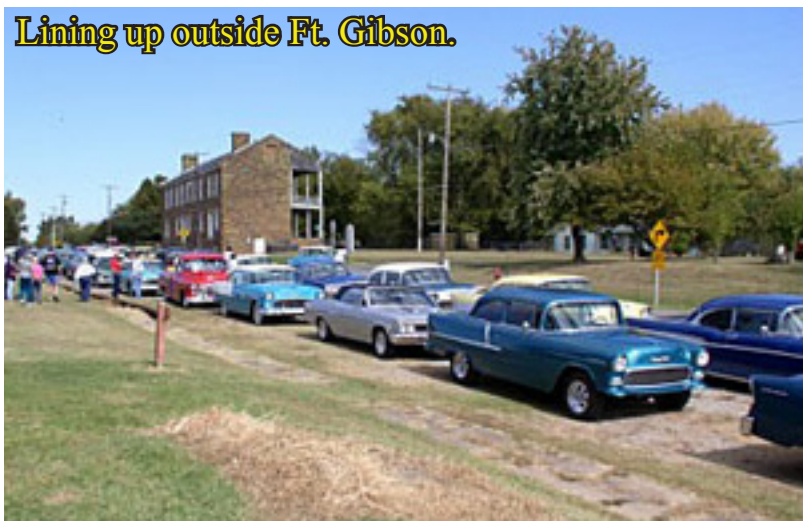

We were happy to welcome new members, Iris and Jerry (their first event to participate in), hope you enjoyed yourself and enjoy COCCC!

Next year, the Springfield Club is hosting in Branson. THIS IS A GREAT EVENT!!!!!!

---K.L.D.

Dinner on Friday Night

Lining up outside Ft. Gibson.

It doesn't get any prettier than this!

Ready to cruise...

... Where's Rudy???

WOW!

THERE'S Rudy!

RU-DY!
RU-DY!
RU-DY!

The U.S.S. Batfish

The Iricks' Cameo

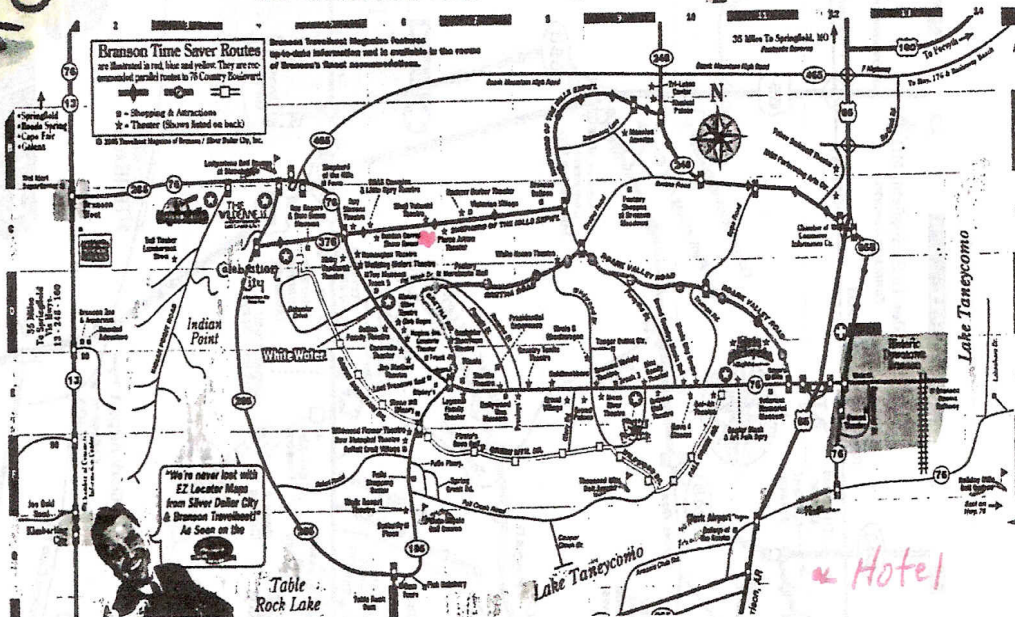

Iris and Jerry inside the U.S.S. Batfish.
