

A Publication of Central Oklahoma Classic Chevy Club July 2025

President's Message

7-3-2025 July 2025

Hello Club Members,

I hope you celebrated Independence Day with family and/or friends. Our family enjoyed cooking out, games, a lake, a swimming pool, and conversations. Freedom is precious! We don't drown ourselves and each other with discussions pertaining to the revolutionary war, but we at least occasionally reflect on the cost of our freedom.

Although there are limited records related to the revolutionary war loss of life, the value of each and every life is astronomical. I have found information estimating losses ranging from 25,000 to 70,000 as a result of immediate battlefield death, wound treatment complications, disease, and starvation.

While living in Virginia, I periodically stood on our deck, especially on cold days, gazed into the woods, up and down the hills and envisioned the misery the soldiers experienced facing the enemy and the harsh elements.

The price of the American Revolutionary War and the birth of a great nation was extreme. However, our countrymen have continued battling for our freedom and world peace. Historical data indicates over 1.3 million American lives have been lost in wars throughout history, with an estimated 1.5 million wounded. This doesn't include military losses and

Our family, including my father who came from China to the USA in 1909, and every club member, I'm aware of, greatly appreciate the sacrifices made and deeply respect our military past and present.

God Bless America

Humbly submitted, Tom M.E. Linn-Lim

COCCC
