Hello Gang,

As we celebrate our Country's 250th Anniversary, please do not forget to Honor and Thank all of our Military Personnel, both Active and Veteran as well as their families. Had it not been for them, we would not be enjoying and sharing the Freedoms we have today. I hope everyone has a memorable and safe 4th of July.

Tom and Annette have done a wonderful job of working together with Stitch & Print Shop regarding getting everything lined up for Club Jackets for those of us who need or want a jacket. Please refer to the email that Tom sent out to the members on Monday, 6/29/26. He has included several pictures. I want to thank them both for their time and effort on behalf of the Club.

The Fall Foliage Planning committee is making headway on finalizing a detailed plan for our upcoming trip in October. We will be making another drive in the near future to get any bugs worked out. If you are planning on going, please make your reservations asap. There will also be an Air Stream Convention in town that same weekend.

And NOW..... Welcome to the Dog Daze of Summer. I hope everyone did not have too much damage due to that last storm the "Blew" through. Greg and I are dealing with some cleanup. Nothing new to Okies, we just roll with what Mother Nature gives us.
